During this **7 week block** we will be looking at celebrated artist and storyteller **Shaun Tan**. Tann is an Australian artist, writer, and filmmaker. One of his notable achievements was winning an Academy Award for his animated film adaptation of his own 2000 picture book, "The Lost Thing."

Tan's evocative and intricate artwork visually captures the feelings of loneliness, hope, and despair, creating a deeply moving experience for readers of all ages.

"The Arrival" is another masterpiece by Tan, exploring the universal themes of immigration and belonging. Through stunning visuals and a wordless narrative, Tan depicts the experiences of an immigrant in a new and foreign land. The book resonates with readers by highlighting the challenges and triumphs of starting a new life in an unfamiliar place.

We will be looking at the **theme of portals**, through books, mirrors and trees as a way of evoking the idea of journey and change. We will be using different mediums, pastels, watercolour pencils and acrylics.
